

Remote Learning EYFS

If my bubble has to close and I can learn from home, the following will help me.....

1

In my first day of isolation, I can use some of the suggested resources in the **General Pack of Resources** posted on Tapestry dated **5th November**

2

From day 2 in isolation, my teacher will be putting up daily lessons and activities for me to take part in. **Every day**, I should:

1. **Recorded Video:** Watch my **new sound phonics** lesson on Tapestry
2. **Recorded Video:** Watch and listen to a **story** told by my teacher. I can also talk to my mummy/daddy/carer about the story.
3. **Daily Activity:** Complete my maths or literacy activity that will be posted each day on Tapestry by my teacher

3

In order to take part in my remote learning, I will need to access my Tapestry account each morning via a laptop or mobile device.

4

If my EYFS teacher or teachers are ill, I can use some of the activities from the **General Pack of Resources** posted on Tapestry (5th Nov)

My teachers will expect me to upload at least one photo/video of me completing my **daily activity**. My teacher will also comment on my effort.

5

My teacher will also post a physical/mental wellbeing weekly challenge for me to complete across the week.
