## Children's Code of Conduct for Using Google Classroom

When my class bubble closes and I use Google Classroom from home, I must follow these rules.

Failure to follow these rules may result in my teacher or a TA from Hambrook calling my Mum, Dad or Carer directly to discuss my behaviour.

### When I log into a live Google Meet, I will make sure I.....

1. Am dressed appropriately (no pyjamas/sleepwear - standard non uniform only please)
2. Mute my microphone when I am accepted into the Google Meet so my teacher is able to talk and give us instructions
3. DO NOT take pictures or videos of the screen
4. Have set up my laptop or tablet in a suitable place before I join the meeting (there are no inappropriate things in my background and make sure I am comfortable).
5. Ensure that there are no inappropriate sounds in the background before unmuting myself, i.e. language, music, TV programmes.
6. Am kind, sensible and appropriate when using the chat function in our Google Meet

### When I use Google Classroom, I will make sure I.....

1. Join my teacher and the class each morning for our "Meet and Greet"
2. Try my best to watch every recorded lesson that my teacher uploads and carry out the attached activity
3. Maintain the behaviour standards that my teacher sets in the classroom
4. Leave comments that appropriate, kind and sensible

If at any time I am worried about any of the work set or have any problems in accessing the work, I will tell my Mum, Dad or Carer so that they can contact the school office.
