

### Our Curriculum Drivers

#### Identity & Diversity

#### Curiosity

#### Life Skills

#### Environment

#### Phase 1 - settling in and all about me

All about me

#### Phase 2

#### Key Skills and Areas of Learning

Over the first term we will be looking at settling in and at the routines we have in school. We will be able to talk about ourselves, our families and also things that have happened to us (at the weekend, holidays etc).

We will look at celebrations and festivals that are held this time of the year.

#### Identity & Diversity

- We will find out all about ourselves, what we look like, how we are the same and different, where our families have come from.

#### Curiosity

- We will show curiosity through accessing the new environment inside and out.

#### Life skills

- We will learn life skills such as teamwork, seeking a challenge, being proud of our achievements and bouncing back after adversity. We will start to learn the importance of breathing as a coping tool.

#### Environment

- We will observe the change of seasons, plant bulbs

#### Social, Moral, Spiritual and Cultural Opportunities

- We will look at and share our experiences of celebrations
- We will make new friendships across the school.
- We will experience being mindful and some meditations.
- We will find out about different faiths and cultures through sharing our experience, books, music, visitor and assemblies.
