Subject Overview 2022-23

Our Curriculum Drivers

Identity & Diversity

Curiosity

Life Skills

Environment

Each year at Hambrook children complete two projects in DT each year. One based on creating something to solve a problem and answer a BIG QUESTION and another cooking project. These are outlined below:

	Term 1	Term 2	Term 3	Term 4	Term 5	Term 6
EYFS	All about me		Seasons		Still Life	
	EYFS have opportunities to create and build within their continuous and supported provision throughout the year, learning new design and making skills regularly.					
Year 1	Searching for adventure		Nurturing Nature		Portraits	
		Project: Design and construct a pirate ship How can I make a floating pirate ship?				Cooking: Bring on Breakfast How can I create a nutritional breakfast?
Year 2	Being a leader		Exploring the Unknown		Still Life	
	Project: Damn building How can I design a dam using appropriate materials?		Cooking: Prepare to party What food could you prepare for a party?			

Year 3	Home Sweet Home		From Field to Fork		Landscapes	
		Project: Design and build a Roman catapult		Cooking: Be a baker!		
				Why is bread important around the world?		
Year 4	Intrepid explorers		Going Green!		Portraits	
	Cooking: Lovely Lunch					Project: Design and build a lighthouse
	What can I do to create a nutritional sandwich?					How can I make a weather-proof structure?
Year 5	Conflict, Resolution & Remembrance		To Infinity and Beyond!		Still Life	
				Project: Design a wooden toy	Cooking: Serve a salad	
			How can I design and build a moving project?	What techniques can I use to create a salad?		
Year 6	The rise and fall of empire		Me, Myself and I		Landscapes	
	Cooking: Grab and Go	Project: Building and designing a gingerbread house				Cooking: Making a meal for parents
	What makes a healthy meal when you're on the go?	How can I design a self-supporting structure that meets a design brief?				How can I plan and prepare a meal?
